

**Databases I, Winter term 2016-2017**  
**Milestone 2**

*Submission: 20/10/2016 (11:59 pm)*

**In this milestone, you are required to translate the EERD designed in milestone 1 to its corresponding relational schema.**

**You are required to submit a zip file containing the following documents:**

- a) A PDF file containing an image of your Enhanced Entity Relationship Diagram (EERD) of the database of the required application. You are allowed to submit an updated version of the one submitted in Milestone 1.
- b) A PDF file containing the Database Schema of your application.
- c) A PDF file containing :
  - Team members' names.
  - Team members' application numbers.
  - Team members' lab groups.

**Submission guidelines:**

- a) The deadline of submission for this milestone is **Thursday 20th of October at 11:59 pm**.
- b) Only one copy of the documents will be submitted via a team member, other submissions will not be considered. The zip file submitted has to be named after the team code which was previously announced.
- c) Submission will be via the submission link available on the course website.

**Please Note that:**

- **No late** submissions will be accepted.
- Cheating cases will be graded by 0.
- It is your responsibility to make sure that the files were uploaded successfully to the website.
- The evaluation schedule will be announced after the submissions.
- The evaluation would be for the EERD and the Database Schema (Milestones 1 & 2).
- All team members should be present for the evaluations.
